37 Years of experience speaks for itself

AmeriDent is pleased to announce Full Dental Laboratory Services for local dental offices. Randy Jackson, a highly qualified, and certified master lab technician, with over 37 years of experience in the fabrication of quality Dentures, Crown and Bridge restorations, and thorough knowledge of dental technology, has joined our team in managing and leading the Denture Lab. Randy is excited to work with local dentists in meeting their dental laboratory needs and expectations. Randy is certified in all five areas; Dentures, Partials, Metal Framework Crown and Bridges, Orthodontic appliances and Ceramics. Randy once named among top five technicians in the US.

“Best choice for high esthetics & strength”

“ We at AmeriDent Lab are proud of the Top quality work we provide, nothing makes us happier than satisfied Dentists and their patients...”

Dr. Bashar Alkabbani D.D.S, C.E.O.
